# silhouette

2014 winter/spring catalog

# silhouette CAMEO®

The Silhouette CAMEO® is an electronic cutting tool that connects to your home computer just like a printer. However, rather than printing images, the CAMEO cuts out designs and text.

SILHOUETTE-CAMEO-2-3T MSRP \$299.99

# silhouette portrait®

The Silhouette Portrait® is a smaller, lighter version of the Silhouette CAMEO® electronic cutting tool. Like the CAMEO, the Portrait connects to your computer, allowing you the freedom to cut all your fonts, download thousands of designs from the Silhouette Design Store, or design shapes of your own with the included software.

SILHOUETTE-PORTRAIT MSRP \$179.99

## What can it cut?

The Silhouette CAMEO® and Portrait cut a variety of media, including vinyl, cardstock, heat transfer material, magnet paper, and fabric.

## What can it make?

These cutting tools can make scrapbook layouts, home décor projects, custom clothing, cards, stencils, temporary tattoos, and more.

## What can you do with your Silhouette?

- Cut fonts already installed on your computer
- Resize designs and text up to 12 inches wide (8 inches with the Portrait) and 10 feet long
- Cut a variety of materials from cardstock to fabric
- Download new designs 24/7 from the Silhouette Design Store
- Choose from thousands of cuttable designs without having to buy a cartridge
- Create detailed, full-color cutout designs.

## download cards
