

Silhouette Cameo® 4 Pro desktop cutting system

The Silhouette Cameo® 4 Pro is Silhouette's largest desktop cutting machine. It can cut up to 24 inches wide and 60 feet long. This machine is perfect for cutting rolled material like vinyl or heat transfer as well as common materials like cardstock, sticker paper, and more. The Cameo 4 Pro also has increased power and speed compared to previous Cameo models to cut fabric and thicker materials with specialized tools. Create custom projects for home, school, or business with the Cameo 4 Pro.
