Body RGN is an advanced blend of micronutrients designed to support the body's natural healing processes. This innovative formula is used by clinical practitioners to promote regeneration and maintenance of the brain and body.

The natural ingredients in BODY RGN assist with neurological function and structure while also supporting healthy repair and regeneration of the musculoskeletal system. BODY RGN includes a range of homeopathic remedies [to support emotional trauma](#) caused by injury.

We've combined science with natural ingredients to assist in both physical and emotional recovery. Body RGN is designed to not only enhance your everyday performance but to help you on the road to ongoing health and well-being.

BODY RGN can help to stimulate the body's normal repair processes, encouraging a faster return to overall health. It harnesses the power of homeopathic remedies to [provide both acute and chronic support](#). Beta-endorphins are known to provide similar effects to morphine and play an important role in [alleviating stress and pain](#), while also supporting the nervous system. Basic fibroblast growth factor (bFGF) encourages [blood vessel growth and wound healing](#) by supporting fibroblasts, vascular cells, chondrocytes, osteoblasts, and smooth muscle cells, among others. Calcitonin and IGF-1 help in stimulating the [growth and repair of bones](#), muscles, and tissues. TGF-Beta (transforming growth factor) plays an important role in [muscle recovery and repair](#).

BODY RGN provides nutritional support for healthy:

Brain and Neurological Function | Musculoskeletal Repair and Regeneration | Emotional Support

BODY RGN helps you to recover faster by:

- Stimulating whole-body repair and regeneration
- Assisting with the healthy function of the body's articulations and joints
- Reducing pain and inflammation caused by injury
- Supporting the health of the muscles and spinal cord
- Promote bone regeneration
- Enhancing the immune system and natural defenses
- Assisting with lymphatic drainage for faster wound repair
- Supporting healthy brain function and neurological structure
- Balancing emotions associated with trauma
- Promoting healthy mood and emotional support
