

Earth Day!

Celebrate Earth Day! Here are a bunch of pictures. Can you find all the matching shadows? Draw LegiLines at the bottom. Write about Earth Day by telling us how you will help extend the life of our planet and make it beautiful. There is one extra picture without a shadow. Be sure to find it and circle it with a big red circle!

Writing Level 1: List the names of 3 pictures. **Level 2:** Write a sentence about a plant. **Level 3:** Write about how you recycled garbage in your home. **Extra Credit:** Color all the pictures! Upcycle a garbage item into a fine motor game, or cut out all the pictures and make a memory game. Lots of ideas!

Post a photo and share your writing with us. #LegiLinerLove and #EarthDay2022 on 4-22-22
