

Happy Mother's Day!

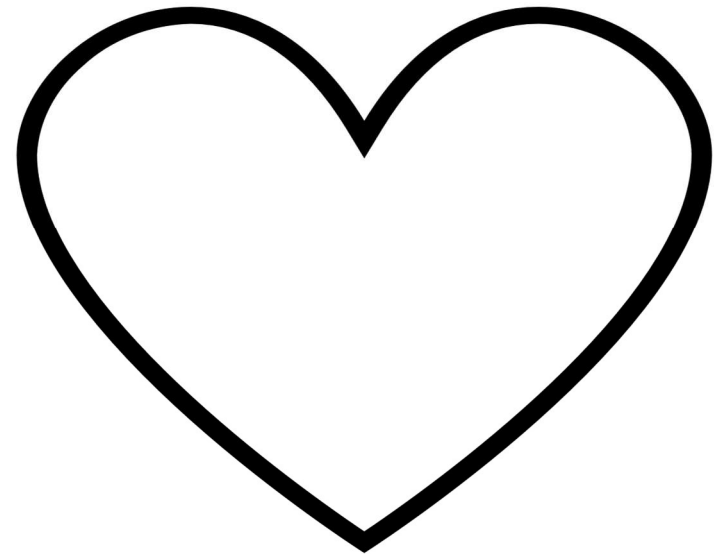

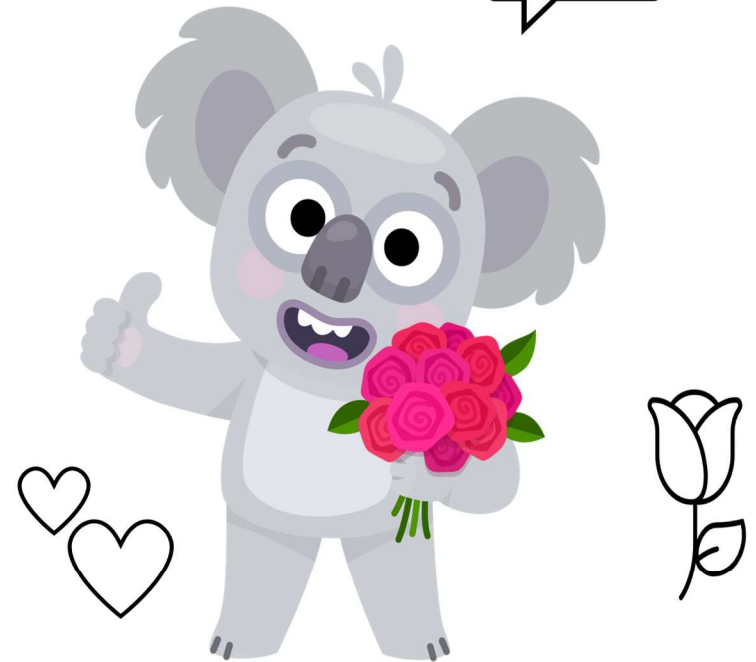

Print out the following pages and fold them in half to make a card. Draw LegiLines inside the folds to write a sweet message to your mom. Here are some sentences you can copy:

- "Raising me took a lot of patience and strength. Thanks for hanging in there."
- "To Mom, with love, from your favorite child."
- "Sorry if I drove you crazy. I only did it because I love you!"
- "Thanks for putting up with us! We love you like crazy."
- "Thank you for being the only Mother in the world who would love a crazy child like me."
- "Happy Mother's Day! I promise today I'll pick up my room. Maybe."
- "I wanted to get you something special this Mother's Day, so I decided to give you some peace and quiet."
- "Mother's Day is every day when you have a gift of a child like me!"
- "Happy Mother's Day, and thank you for your service. We salute you."
- "Happy Mother's Day! We wouldn't be here if it wasn't for you. Literally."

You can add more messages on the back. You can add color, stickers, or cut this out and glue it to construction paper to make it bigger and more colorful! Add LegiLines inside the folded construction paper for your best writing! Have fun!
