7 2 1 THINGS TO DO THIS MONTH

1. GET a perfect pucker with Lancôme's Juicy Shaker Pigment-Infused Bi-Phase Lip Oil (\$21, lancome-usa.com).

2. DECK out your deck (or room) with Marimekko's playful indoor/outdoor line for Target (\$75, target.com).

ROOT for Anita Hill (Kerry Washington) as she takes a sexual harassment case straight to the Senate in *Confirmation* (April 16, HBO).

3. PROTECT yourself, always. Cosmo and Olay's SPF365 collab reminds you to use sunscreen 24/7, 365. New Regenerist daily cream (\$26, drugstores) makes it easy.

6. RULE THE POOL Madewell's too-cute collab with swim line Giejo equals sun fun (top, \$118, bottom, \$99, madewell.com).

5. SALUTE THE SPRING Swatch's new eyewear line has sun frames so fly, you'll wear them even when it's raining (\$75, solsticesunglasses.com).

STASH hot sauce in your bag and get in Formation. Queen Bey kicks off her latest world tour in Miami on April 27.

TREAT YO MOM to rose gold (earrings, \$89, swarovski.com) and rosé on Mama's Day. Veuve Clicquot's new bottles let you spell out your love (\$69, sherry-lehmann.com).

▶ **9. WITNESS** a congressman (and serial sexter)'s fall from grace in can't-look-away doc *Weiner* (May 20).

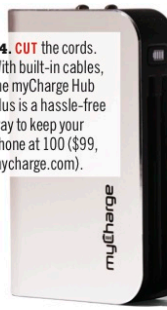

▶ **10. ROFL** Key & Peele are reunited and funny AF as cousins in search of a lost kitten in *Keanu* (Apr. 29).

▶ **11. WATCH** Chelsea Handler revolutionize a genre with her game-changing new talk show (May 11, Netflix).

▶ **12. KEEP** an eye out for newly anointed members of T-Swift's squad between sets at the Billboard Music Awards (May 22, ABC).

▶ **13. CURE FOMO** The Skimm's new app, The SkimmAhead, reminds you to tune in to big events before everyone talks about them (App Store).

▶ **14. CUT** the cords. With built-in cables, the myCharge Hub Plus is a hassle-free way to keep your phone at 100 (\$99, mycharge.com).

▶ **15. DETOX** your skin with the spinach and green tea in Origins By All Greens Foaming Deep Cleansing Mask (\$36, origins.com).

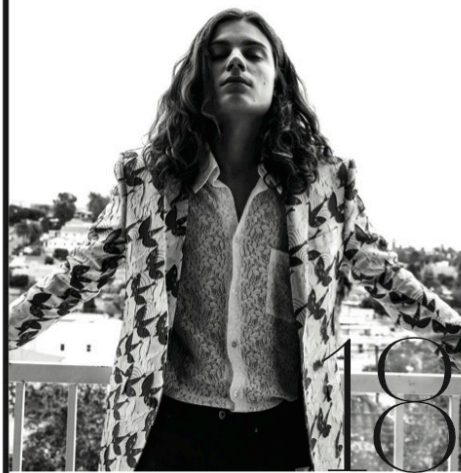

▶ **16. GET LOST** in a great read...and a great jawline. The new book *Hot Dudes Reading*, based on the Insta sensation, lets you do both.

▶ **17. GET YOUR HELPING** of Hemsworth, so smoldering in *The Huntsman: Winter's War* with HBIC Charlize Theron (Apr. 22).

▶ **21. TURN HEADS** with a luxe clutch by Alana Hadid (Gigi and Bella's big sis) for Lou & Grey (\$98, louandgrey.com).

BORNS

One listen to the electro-rocker's debut album, *Dopamine*, and you'll fall under his trippy, techno-lite spell.

ON THE ALBUM TITLE:

"Dopamine is a chemical at the root of a lot of addictions. The album's about fantasizing about someone when they're not even around. If I had to describe it in a few words, I'd say 'scatter-brained in love.'"

tic self was onstage, and his hair was blowing in the wind while he played a massive keyboard."

GO-TO ROMANCE FILM:

"*Amélie*. Yann Tiersen is my favorite composer."

DREAM COLLAB: "Quincy Jones. It would also be a total dream to do a song with The Roots."

DREAM SUPERPOWER: "To zip up my zipper with no hands." —SERGIO KLETNOY

FIRST CONCERT: "I was 8, and I went with my folks to a Yanni concert. I didn't know what was going on except that Yanni's majes-

19. GWEN STEFANI After a decade without an album (and enough material for several), Gwen is back with *This Is What the Truth Feels Like*.

20. ZAYN His decision to go solo ignited a civil war among Directioners. Now, he offers the spoils: sexy pop/R&B hybrid *Mind of Mine*.
