## about us \_\_\_\_\_ HELLO FROM THE TEAM

THE INSPIRED STORIES WAS  
CREATED BY THREE CLOSE FRIENDS,  
BAIBA, ZANÉ AND KAT.

Ever since the very first sold-out Lifestyle Planner, we've been striving to continue incorporating our knowledge and research into our products. Each year, our collection has grown in size as we introduce various products, colors, and styles. While they differ in design, we ensure they are all beautifully made, practical, and easy-to-use lifestyle products.

Our planners, notebooks, and journals are the perfect personalized gift, a unique addition to a lifestyle event, a thoughtful surprise for a client, or a motivational tool for daily use by team members.

It's a gift that will keep on giving!

Charlotte Tilbury

“EXCELLENT COMPANY WOULD HIGHLY RECOMMEND.

The process was seamless from start to finish. The items were so well received by our initial team that we extended the gifting out to the wider team to enjoy! We love everything about the Organisers and Planners—the quality, personalisation, options, and the finish. The final WOW factor was the packaging. Absolutely loved dealing with TIS.” - Amy.

“WE LOVE TIS - WE’LL BE BACK FOR 2025!

We gift TIS Planners to our team yearly. We love that we can add everyone’s initials, and we all have the same layout for planning our days and staying productive. Our team loves the reflection sections, as they encourage us to check in quarterly!” - Scarlett.

“SO PERFECT FOR TEAM & CLIENT GIFTING.

We ordered custom Pen Pouches and Organiser sets for client Christmas gifting, and they were extremely well-received. Being able to add our company logo made them SO unique. Having the option to mix and match colours also made them even more personal.” - Dace.
