Description

With high-efficient Class-D amplifier, audio signal processor, Bluetooth receiver and professionally designed speaker all integrated in one body, our Bluetooth rock speaker allows you to stream the high-quality music from your cellphone, tablet or laptop wirelessly via Bluetooth connection, without adding any external amplifier. The solar panel allows you to charge the speaker wirelessly. Wireless design allows you to enjoy music without the need for messy cords. Perfect for pools, patios, decks, backyards, front yard and porch use.

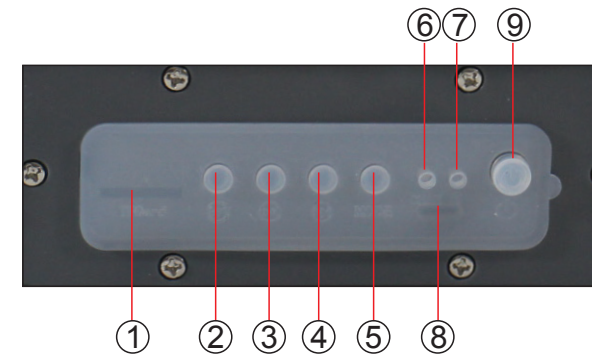

Features

- ▶ Adopt true wireless stereo technology
- ▶ Support solar charging and USB charging
- ▶ Adopt 5.3 +BR+EDR+BLE Bluetooth technology
- ▶ Built-in 16bit DAC Digital Audio Processor
- ▶ Waterproof design for outdoor application
- ▶ Built-in high efficiency class D amplifier
- ▶ Adopt high-quality speaker drivers
- ▶ Designed for fast installation and easy operation
- ▶ Perfect for gardens, parks and other outdoor applications

Specification

Model	ROCK-10S
Output Power	10W
Impedance	4ohm
SPL (1W/1M)	88dB
Frequency Response	110-18KHz
Input Sensitivity	400MV
SNR	95dB
Input voltage of	Type-C: DC5V 2A Solar power: DC5V 500mAh
Battery	Lithium, 2600mAh
Bluetooth Wireless Range	10M
Housing Material	Class Fiber, Iron (Grille)
Speaker Size	4" full range
Net Weight	1.7kg
Product Size	260*200*220mm
Color	Grey

Panel Description

1. TF card slot
2. Short press for previous song, long press for volume decrease
3. Play/pause
4. Short press for next song, long press for volume increase
5. Mode: Bluetooth/TF card
6. Charging indicator: It's red when it's charged, green when it's full
7. Bluetooth indicator: When the Bluetooth is not connected, the blue light flashes quickly. Connected: Constantly blue. It flashes regularly when playing.
8. Charging port: 5V 2A (Fully charged in approximately 2.5 hours.)
9. Power on/off

Note:

TWS: If the A speaker is connected to the phone and playing music, when the B speaker is turned on, it will automatically connect to A.

When Bluetooth is disconnected or unable to connect, the speaker will automatically power off after 2 minutes.

It is not recommended to play music while charging as it may damage the battery. When played at maximum volume, it can play for 5.5 hours.

Operation Instruction

Step 1: Turn on the speakers by pressing the power button on the back of the speakers. After 2 speakers are connected with each other, a tone "dingdong" will sound from each speaker.

Step 2: Connect with phone via Bluetooth and play music. Device name: ROCK-10S, password: 1111
