MISSION
BELT

**“MISSION BELTS
ARE THE COOLEST.
I DON’T EVEN TAKE
MINE OFF TO SLEEP!”**

- DAYMOND JOHN, *SHARK TANK*

**WE MADE IT COOL.
YOU MAKE IT ICONIC.**

Inspired by classic design and intuitive functionality,
we gave this classic accessory a fresh start.
We don't like belts...we LOVE them.
We are a BELT company.

**NO HOLES.
ALWAYS FITS.**

Traditional belts with holes are only adjustable every 1" which usually means your pants are either too tight or falling off. Mission Belts are adjustable every 1/4" so you get the perfect fit every time. And we know how hard it is to buy the right size so we made Mission Belts easily customizable too. If your belt is too big you can cut it down to the right size with a pair of scissors at home.

So whether you just won a competitive taco eating contest or the Boston Marathon, your Mission Belt will always fit just the way you like it.

It's not just a belt, it's a Mission Belt®.

THE MISSION

When you buy a Mission Belt you become part of a great philanthropic effort or as we like to call it, **THE MISSION**. Here at MISSION BELT, we don't just want you to look good we want you to feel good too. **That's why a dollar from every belt goes to fight hunger and poverty worldwide through microlending.** There are so many industrious, motivated people striving for a better life and sometimes the only thing holding them back is a little cash to get started. **It's a hand up, not a hand out.**

THANKS FOR BEING PART OF THE MISSION!

THE MISSION BIRD

Throughout history, birds have been used to deliver important messages around the world. They are dependable, noble, and signs of peace and prosperity. In that same great tradition, the Mission Bird is delivering help and aid worldwide to those striving and fighting for a better life.

**FITS PERFECTLY.
FIGHTS POVERTY.**
