

Our Story

Our Pets, Our Planet, Our Purpose

Welcome to the Petique Family!

Petique, Inc. is a women-owned company that specializes in pet supplies and consumables. Our goal is to help your pets live long, healthy lives. We started Petique to pilot the pet industry away from the toxic, chemical-filled products that harm our pets and planet. Striving to give your pet the best is not all we were founded on. Petique works to conserve ecological resources to help leave the planet thriving. As pet lovers, we want to share our passion for creating a happy, safe, and healthy environment for the animals we call family.

We Love Your Pets & Our Planet

Our mission is to help your pets live longer and healthier lives, as well as help our planet become a cleaner place to live for future generations. We are doing this by providing non-toxic, sustainable pet products for your pets and family.

Our Team

We have over 30 years of experience in manufacturing, product development, and design. Whether it's developing eco-friendly and non-toxic items, reliable travel gear, or innovative toys, Petique, Inc. delivers products you and your pets can enjoy for years to come.

Kitty Corner Cat Scratcher

Petique's Kitty Corner Cat Scratching Post is your furniture savior! You'll get two cat scratchers designed to help safeguard your furniture against your scratch-happy cats. Don't discourage scratching—redirect it! Encourage healthy scratching behavior for cats and kittens while protecting your valuable possessions. For cat owners who don't have room for a scratching post, the Kitty Corner Cat Scratching Post is our enticing alternative solution. Simply attach the cat scratcher to any corner of your furniture and watch them go!

Most cat scratchers are thrown away into the garbage after use, and only some will go to recycling. But if there is a compost option, this product can go straight to the compost pile and back to the earth without releasing any toxins. It is very safe for the environment, animals, and humans.

FEATURES

- 100% eco-friendly, sustainable and compostable materials to protect your pets and the planet
- Non-toxic material safe for your pets and the household
- Double stick foam tape included for easy installation (Use other forms of attachments for your Kitty Corner depending on the material you are attaching your Kitty Corner to)
- Durable, long lasting cardboard material
- Patented

BENEFITS

- An alternate method for your cats to groom their claws
- Sticks on the corners of the wall for your cats to nibble, claw, and rub their body on when they mark their territory
- Relieves natural tendencies like grooming their claws and aggression
- Safe for your cats if accidentally ingested
- Stack the kitty corners on top of each other so your cats can stand and stretch their bodies as they groom their claws.
- Helps prevent your furniture from getting clawed
- Attaches to the corners of your furniture, walls, bed, etc.

3-Layed Protective Face Mask with Photocatalyst

Petique's stylish 3-layered protective Face Masks are infused with our new Photocatalyst Technology, which helps dissolve and protect you from the bad molecules in the air. The materials are upcycled from our limited edition Reversible Round Pet Beds and Comfy Mats.

The photocatalyst-infused face masks are reusable and consist of 3 protective layers: 100% cotton, 100% soft polyester, and durable non-woven cloth. A flexible nose strip is inserted inside the mask to hug your nose for extra protection and contains adjustable elastic straps to secure around any face shape comfortably.

The durable and breathable cotton material must be hand-washed with soap. You'll look great, reduce waste, and protect yourself and your loved ones all at the same time!

Fun Fact: Our Fabric Face Masks are handmade in Taiwan, one of the top 5 countries around the world providing relief during the COVID-19 pandemic.
