

Crystal Flower Pins

Crystal Flower Pins, the innovative crystal accessories especially developed for the flower industry by Crystallic Creations®, adds a refined sparkle to your flower arrangements and romantic moments, bringing elegance to your daily flower decorations.

World's renowned branded crystals in different shapes and colors used in our Crystal Flower Pins self-orchestrates the perfect dazzle, composing fantastic rainbows between the flowers, just like fairies dancing around, bringing everlasting sparkles in a masterpiece of nature.

For height adjustments, stainless steel stalks can be cut short, while crystals can be swapped around via a screwing mechanism. All crystals and stalks can be reused. Apply elegance to your floral settings, and at the same time being environmental and user friendly, Crystal Flower Pins are definitely the perfect companion for flower lovers like you.
