MODERN PARENT, CHIC BABY

## About Us

Modern parent, Chic baby

### Our Mission

We believe that functional design and stylish looks can go hand in hand—and they shouldn't cost a fortune, either. We are aiming on developing high-quality baby products with thoughtful and practical features that really friendly for both babies and parents.

### Industry Experts

The members of the Beberoad team, nearly 20 years of working for famous international baby stroller companies and manufacturers, main jobs were designing, engineering, manufacturing, quality control, etc.

### The Next Generation of Parenting

After being parents, we know better about families' practical needs for nursery products and parental life.
