

RING SIZE GUIDE

MEASURING TIPS

How to measure your current ring

1. Select a ring that properly fits the finger.
2. Place the ring over the circles below. Match the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring.
3. If the ring falls between two sizes, order the larger size.

How to measure your finger

1. Carefully cut along the outline of the sizer. Make a small slit in the left end of the sizer.
2. Wrap the sizer around the intended finger with the numbers facing out.
3. Slide the pointer end of the sizer through the slit.
4. Move the sizer to the larger part of the finger, this may be the knuckle.
5. Pull tightly. The sizer must fit snugly to produce an accurate size.
6. The number that lines up with the slit represents the ring size for that finger.
