

# CHOCOLAT CAFÉ-TASSE

BRUXELLES-BRUSSELS

Chocolate is a never-ending source of inspiration for Andrea Gemblor who has been head of Choc And Co for the past 41 years, her husband Philippe Lellouche at her side. The charismatic family run business has strong values which stand out in Café-Tasse.

**Artisanal Belgian chocolate, authentic taste, natural look and feel.** Kraft paper; eco-friendly packaging, the brand strives for "clean labels" using only the best and most natural ingredients. A high quality chocolate recipe specific to the brand, made by master chocolatiers, a blend of the best cocoa beans from West Africa & South America.
