

**Baking cookies and biscuits to fall in love with has been the Van Strien specialty since 1938, in a small village of Southwest Netherlands. The laminated dough for the savory biscuits are completely hand-made and given the proper resting periods to build over 2,000 layers of buttery, flakey puff pastry. With North Holland aged Gouda grated directly from the wheel, the Cheese Palmier is easily the most favored product among food lovers.**

**Cheese Straw  
with Emmental**  
8 x 90g  
8716827129016

**Sprinkled with real
