MilkBoy®

Chocolates

SWITZERLAND

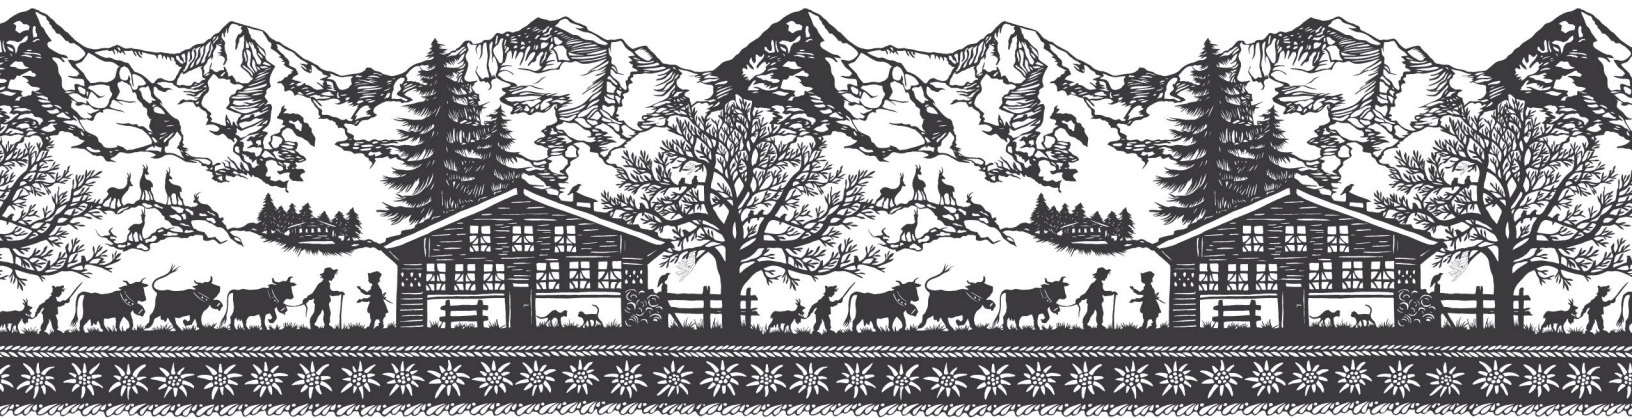

Experience the remarkable difference of authentic Swiss Chocolate.

Milkboy Swiss Chocolate is born up in lofty mountains, where the historic figure of the Milkboy gathers the cattle at the start of springtime to ascend to the high pastures where they will happily nibble away on the sweetest green grass and breathe the fresh Alpine air.

Using traditional methods passed down over generations, Milkboy has created chocolate bars that are luscious, rich and incredibly silky.

Extraordinary Chocolate Is In Our Nature
