

# INSTALLATION INSTRUCTIONS

## Wheelhouse Storage Bin

Vehicle Application

Jeep Wrangler JLU (4Dr)  
2018-2023

### BEFORE INSTALLATION

- Carefully clean wheelhouse area to ensure any dust, pet hair and dirt is removed.
- DO NOT INSTALL in any other vehicle make or model.

### INSTALLATION

- Storage bins block the access to the tail light when bulb changing is needed.
- Each storage bin comes with tape on the back side. Peeling and adhering the bins is optional due to the access blockage. Bins do fit tightly without adhering them.

### CLEANING

- Use a damp cloth or sponge with soap and water to clean the storage bin.
