Want to meet us?

We're hosting an Open Day at our Southampton warehouse on Saturday 29th July - pop in and say hello!

We'll have lots of our fleet on show, and you'll also be able to show off your own car to other like-minded enthusiasts. The event will run from 10am - 3pm and catering facilities will be on-site for attendees to use.

Address: Unit 25 Glenmore Business Park, Holbury, SO45 2AR.

Our next large delivery of both custom-made and New Old Stock is due soon - pre orders are now open!

Including our own improved 75/ZT Rear Upper Arms, new MG6 additions and plenty more it's a selection you won't want to miss.

Click on the 'Latest Stock Delivery' category on the DMGRS website to view the collection.

We can't talk about pre orders without mentioning two other incredibly interesting lines we have arriving on this shipment - namely our Rear Exhaust Silencers and Rear Subframes for the 75/ZT!

The Exhaust Silencers are designed like the originals - a clamshell with plenty of baffles and wadding to keep noise to a minimum. Available for both the Saloon and Tourer, they're a great addition to any 75/ZT.

The Rear Subframes are ideal if you're performing a suspension rebuild - incredibly hard to find, we only have 3 arriving so you'll have to be quick!

They're a drop in replacement for your existing subframe, and fit all models apart from the V8.

Finally, we're going to be attending the MG100 event at Beaulieu this September - if you're attending, come and introduce yourself!

We'll be showcasing the majority of our fleet and would love to meet you.

The event is on the 30th September - find out more at beaulieu.co.uk/events/mg-rally-100
