Newsletter - October 2023

Another month, another new fleet addition!
Meet 'Pinkie' - our lovely left-hand drive Rover
214 Cabriolet.

Steeped in history, 'Pinkie' has been the feature
of an article in 'The Viking' owner's club
magazine and was even owned by the Mayor of
Hillingdon at one point!

Despite having 190,000km on the clock she's in
great mechanical shape.

Finding new glass for MG Rover vehicles can be a challenge - and finding
aftermarket glass that fits properly even more so!
Great news - we've bought a quantity of New Old Stock Rover 45 / MG ZS Front
Windscreens along with Rover 75 / MG ZT Saloon Rear Windscreens.
They're priced to sell at just £69.99 each vs an RRP of £270 and £378
respectively. A huge saving!

These are Genuine MG Rover parts so will fit correctly - ideal if yours is
scratched or chipped.

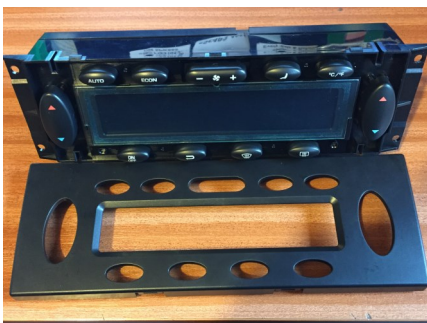

Please see our website for fitment details and collection / delivery options.
Hurry, we expect these to sell out fast!

Own a Rover 75 / MG ZT Diesel that doesn't quite
get to half-way on the temperature gauge, or
suffers with lukewarm heater blowers?

The original thermostat in the M47R Diesel engine
is prone to opening early, leading to the symptoms
above. The last thing you need in winter!

You can fix this with our excellent Inline
Thermostat Kit for just £9.99 - as featured in Car
Mechanics magazine.

See our website for more details.

There's more great news for 75 / ZT owners -
we have new stock of the MG7 Climate
Control Panel Upgrade Kit including fascia!

These are a great upgrade for all 75 / ZT
models (does not fit V8), bringing a more
modern look to the interior along with a
new, intuitive interface.

Fitting is very simple and takes 5 minutes -
they're a plug-and-play upgrade.

We have plenty more on our Website!
Visit www.dmgrs.co.uk for our entire collection.

Remember - you can use discount code NL5 at checkout for 5% off your next order.
