

The Dancing Letters Scholarship Fund was established in 2010 in memory of Ann Van Tassell, an outgoing, vivacious and extremely talented artist. Ann went out of her way to encourage lettering artists to fulfill their creative endeavors. Her love of letters, her spirit, and her enthusiasm are the foundation upon which the DLSF was built.

This fund provides financial assistance to those wishing to further their knowledge of calligraphy and its related arts through attending workshops, lectures, classes or international, regional and local conferences.

Your contributions to this fund honors Ann's memory, furthers the knowledge of calligraphy and related arts, and provides recipients with access to some of the best learning opportunities for this art form.
