## SAUVIGNON BLANC 2022

### VARIETY

100% Sauvignon Blanc

### WINE STYLE

A fresh, crisp, medium-bodied wine made in a New World style.

### VINIFICATION

The grapes originate from Robertson, Stellenbosch and Franschhoek. The Robertson grapes were picked slightly earlier at around 21° Balling to ensure higher natural acidity and distinct flavours of gooseberry & fresh cut grass. The riper Stellenbosch and Franschhoek grapes at 23° Balling gives the nose a fresh passion fruit flavour. Fermentation took place between 11-13°C, with extended lees contact to ensure a well-balanced mouthfeel that supports all the flavours on the palate.

### NOSE

Beautiful aromas like ripe passion fruit and granadilla burst out of the glass. A fun whiff of gooseberry also compliments the other fruity aromas.

### PALATE

Delicious granadilla and gooseberry flavours together with Granny Smith apples impart a zesty and lengthy finish on the palate.

### FOOD

This refreshing and flavourful wine will pair well with fresh salads, even fruit salad. Perfect for a fish braai with roast vegetables on the side. A summer sunset wine to enjoy with family and friends.
