ADDING QUALITY TO LIFE

## UNWOODED CHARDONNAY 2022

### VARIETY

100% Chardonnay

### WINE STYLE

A surprisingly voluptuous medium-bodied, unwooded Chardonnay made in a New World style.

### VINIFICATION

Grapes originate from Wellington and Paarl. The grapes were whole-bunch pressed, settled and cold-fermented at 13°C. Extended lees contact yielded the unique firm structure of this wine.

### NOSE

Fresh aromas of citrus and white peach on the nose followed by an elegant poached pear fragrance and ends with soft notes of Golden Delicious apples.

### PALATE

Well balanced with delicate lemon and lime flavours following through on the palate. Rounded off with notes of peaches and pears that leave a lingering aftertaste.

### FOOD

Chardonnay is the perfect pairing partner when it comes to fish and seafood. Also a favourite to enjoy with sushi and shellfish like mussels. It is one of the most versatile food wines. Enjoy with happy-ever-after movies!
