## The Nollie Bonus

Looking over orders we've realized that a lot of our customers don't get to take advantage of our catalog's bonus offerings. To that end we are pleased to offer the following bonus: For every \$25 dollars spent you will receive an average circulated 35% Silver Jefferson "War Nickel" (appx value \$1.50) dated 1942 to 1945. Every order of \$50 or more is guaranteed a minimum of 2 different dates. An example order of \$319 would receive 12 War Nickels with a minimum of 2 different dates! These are NOT cherry picked – so we look forward to hearing about any variety finds you may encounter!

*BONUS offer does not apply to bullion, silver/gold eagles, 90% rolls or \$5, \$10 & \$20 gold coins.*

## OUR TRANSITION

Yesterday's Change, LLC is a Virginia Corporation registered in the Commonwealth since the late 1970s. Recently we've made a father-to-son transition in combination with a strictly brick-and-mortar coin shop/bullion dealer to a "digital age" enterprise that offers a website, eBay sales and a full catalog.

Thus far, our transition has been a surprisingly smooth undertaking with many new customers from across the country joining with our "old time" Virginia based clientele.

## North Carolina Fractionals

### 1863 State of North Carolina "Hornet's Nest" 10¢ Fractionals

**xf+ to about uncirculated (some uncs)**

**Criswell #147 - Partial run from original pack**

This neat offering contains notes that span a run of a 100 note pack. The serial number breaks are too often for us to guarantee consecutives – but we will make ever effort for those ordering multiple notes. Each note is uniface and features a hornet nest as the only vignette. At half of book value – expect a sell-out!

**\$24.95** each

### 1863 State of North Carolina "Proserpina" 25¢ Fractionals

**au to uncirculated (corner bumping)**

**Criswell #150 - From an original pack of 100**

These neat 25¢ notes are the nicer and come from an original pack of 100 (serial 601-700). These notes feature a bold blue 25 Cts protector and their only detractions are corner bumping resulting from the manner in which they were stored. Consecutives are guaranteed for multi-note orders.

## Average Circulated Mixed Date Wheat Cent Bag Deals

We buy wheat cents in our shop every day of the week, and because they come in bulk and always with other material – we have no choice but to run them through the counting machine and bag them up. Thus, the only sorting they go through is during counting to ensure they are indeed wheat cents. Now, rather than having them sit around to collect dust, we are offering them to you "just as we bought them"; in canvas bags; and ready to explore.
