

STRAIGHT HEMP

EXPERIENCE THE STRAIGHT HEMP DIFFERENCE

We are hemp evangelists dedicated to spreading the healing power of hemp! Distilling the living essence of fresh hemp plants, Straight Hemp delivers the fullest spectrum experience possible.

Our oil products are exactly what the name says they are, Straight Hemp. This is important because we know CBD is more effective with all of hemp's natural constituents intact.

Our balms are formulated to naturally increase absorption through the skin, is incredibly effective, and with an amazing scent, it's simply a better value.

Our softgels offer a much easier way to enjoy the benefits of our CBD, and takes the guess work out of it!
