(Saturday, January 11<sup>th</sup> & Sunday, January 12<sup>th</sup>).

(1) Teams must strictly abide by Costa Rica’s Fisheries laws: all billfish *must be released*; offset circle hooks are forbidden. (2) Fish must be caught on standard rod and reel equipment during advertised tournament hours of 7:00am-3:00pm on January 11-12, 2020. (3) Teams may use lures, live bait, dead bait, or any combinations of the aforementioned, so long as offset circle hooks are not used. (4) There is no limit to line class. (5) No electric reels, spears, or harpoons are permitted.

(6) *Fishing Boundaries:* Teams must fish within a 50-mile radius from the Marina Pez Vela buoy.

(7) Anglers may receive assistance from their captain/crew in hooking & landing fish. This is a fun tournament, and while it’s perfectly acceptable for crew to hook and assist anglers during the fight, the primary angling is intended to be done by the registered anglers of each individual team.

*\*based on estimated number of team entries*

**PLEASE NOTE:** Early bird registration ends December 1, 2019. Team entries will be accepted through event kick-off by returning registration form via fax, e-mail, or postage; or by signing up on-site during check-in at Tournament Headquarters –Marina Pez Vela, Costa Rica – Friday, January 10<sup>th</sup>, 2020 (3:00-6:00PM).

**Daily fishing hours:** 7:00am-3:00pm. Teams *must* be lined up in front of Marina Pez Vela by 6:45am for an official shotgun start promptly at 7:00am, after which they may begin fishing. Fish hooked prior to lines-out may be fought until released or brought aboard (in the case of a gamefish), but teams must make it to the scales before closing each day. Hook-ups occurring within the hours of 2:30-3:00pm must be radioed in.

**Tournament Procession:** 6:30am

**Starting Line:** 6:45am

**Shotgun Start:** 7:00am

**Lines-In:** 7:00am

**Lines-Out:** 3:00pm

**Scales Open:** 3:00pm

**Scales Close:** 6:00pm

**Weigh-In/Documentation:** 3:00-6:00pm each tournament day. Weigh-in will be hosted at the designated location in Rockstar Tournament Village, at Marina Pez Vela. Scales close at 6:00pm; however, if there are fish waiting to be weighed passed official close time, they will be accepted, so long as visual contact has been made with weighmaster or tournament officials. Teams are asked to bring their gamefish to be weighed (tuna and dorado) to the scales for official weigh-in first, before proceeding to documentation of billfish releases. Teams will be asked to provide video evidence of each individual billfish release at the official documentation station located at Tournament HQ in Marina Pez Vela.

**Billfish Release Division:** The team which scores the most billfish release points combined over the two (2) days of tournament fishing will win the Billfish Release Division. **Hookups & releases must be radioed in (station to be listed during captain's meeting).** *Qualifying billfish include:* sailfish, blue marlin, black marlin, and striped marlin.

**SCORING:** Teams will be ranked based on their two-day combined release point total. 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place cash and prizes will be awarded.

- Sailfish = 100 points per release
- Blue Marlin, Black Marlin, or Striped Marlin = 300 points per release

Properly documented video evidence of each released billfish must be provided. To be scored, the release video *must* contain the following five (5) items:

- 1) **Ability to show time/date, if needed.**
- 2) **A registered tournament angler fighting the fish.**
- 3) **A mate touching the leader with the fish boat side. To identify species, clear video showing the fish's distinctive traits must be provided.** Billfish that cannot be unmistakably identified will be scored at 100 points.
- 4) **Numeric scorecard in clear view with fish in sight**
- 5) **Video of the leader being cut or the fish unhooked, followed by at least 3 seconds of continuous video showing the fish no longer attached.**

If proper video is not supplied, your catch will *not* be scored. Teams must supply their own video recording device with ability to show time/date. Tournament Officials' rulings on release evidence are final; there will be no protests allowed for video evidence. Submitted tournament videos may be used by Pelagic, Inc. in future events.

*If there is a tie in aggregate billfish release points by multiple teams at the end of the two-day tournament, rankings will be determined by the first team to reach their aggregate point total **by time**. Example: if "Team A" reached their point total at 1:00pm and "Team B" reached their point total at 2:00pm, "Team A" beats "Team B".*

**PLEASE NOTE:** Early bird registration ends December 1, 2019. Team entries will be accepted through event kick-off by returning registration form via fax, e-mail, or postage; or by signing up on-site during check-in at Tournament Headquarters –Marina Pez Vela, Costa Rica – Friday, January 10th, 2020 (3:00-6:00PM).

**Gamefish Divisions:** TUNA & DORADO

There are two (2) Gamefish Divisions, in which the following rules apply: At the end of each day of tournament fishing, teams may weigh their respective tuna and dorado. Each team may weigh two (2) fish per species each day; however, only their single-heaviest tuna and dorado will be scored that day. At the end of the final day of tournament fishing, team rankings will be determined for each gamefish division (tuna and dorado) based on their aggregate two-fish per species weight (single-heaviest each day) throughout the two-day tournament.

*If no qualifying gamefish are caught in a given division, then the entries for that species will be rolled to the opposite gamefish division (i.e. if no qualifying dorado scored, then money rolls to tuna division; and vice versa). If no qualifying tuna or dorado are scored, then the money from those divisions rolls to the Billfish Release Division.*

**SCORING:** Teams will receive 1-point per pound of scored gamefish, rounded to the nearest tenth (i.e. 17.2 points). 10 lb. minimum weight required to score a gamefish. Remember, teams will score their heaviest fish per species per day. Each division will be awarded 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place cash and prizes.

The tail of each fish brought to the scales will be clipped, signifying that it has been weighed and scored. All fish that appear to have been altered, spoiled, mutilated, or frozen will be disqualified, per the discretion of tournament officials. Any boat which enters a fish that is proven to have been weight-altered, frozen, or previously weighed will be disqualified from the tournament.
