ROD WARRANTY REPAIR FORM

Kindly complete the form below. Please note that tip sections and the second sections (below the tip) can be sent to you without mailing your rod to us if breakage is not being claimed under manufacturer defect. Third sections and butts must be returned to OPST for repairs regardless of whether it is being claimed as a manufacturer defect or not. The following fees will be charged per section if breakage is not manufacturer defect: Micro Skagit Rods (3wt-5wt): **Tip Section \$60, Second Section \$60, Third Section \$70, and Butt Section \$110.** Pure Skagit Rods (6wt-9wt): **Tip Section \$60, Second Section \$60, Third Section \$90, and Butt Section \$135.** Shipping and insurance are not covered for international repairs or for repairs that are not deemed manufacturer defect. Rods are inspected upon arrival at our facility and if we determine the rod is covered under our warranty policy, there will be no charge. If you would rather exchange credit card information over the phone, please indicate that below and we will call when processing your repair.

If possible, please ship the entire rod, including the broken pieces, to:
