COTTON DK

DOUBLE KNITTING

Established in West Yorkshire in 1880, Sirdar is a British yarn company with a rich hand knitting heritage. Generations of families have grown up wearing Sirdar hand knitting yarns and designs.

Each season, we complement your favourite Sirdar classics with the latest yarn innovations and effects for fashionable knits. And we triple check every stylish Sirdar pattern to guarantee a successful knit with the recommended Sirdar yarn.

Cotton DK is a cool, silky summer yarn in a flattering palette inspired by the colours of the Mediterranean.

Our sunny designs include lacy vests and scooped backs as well as neat cardigans and cover-ups so you can decide which bits you want to bare this season.

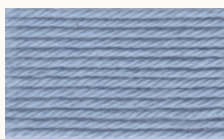

“I’m knitting in Cotton DK for my summer holidays. I love the subtle sheen which shows off my stitches and has a great flattering drape.”
