

A Day Out Blanket

Designed By Sarah Hatton

WEEK 5 - Lady Lane

Hints and Tips

The Lady Lane square uses the skills we have already learnt previously. A mosaic square, using techniques from Week 2, ([click for the Week 2 video](#)) it's super easy and there are only four to make.

- I used a cable cast on for a nice neat edge
- Remember to change colours at the beginning of the odd numbered rows – I know this sounds like I'm teaching you to suck eggs but it's amazing how many times I forgot!
- I used the chart from the start but remember it has an 8 stitch pattern repeat. You may want to draw a line down the chart to indicate the 8 stitches – I did.
- Don't forget that the block starts with Row 1 of the 'Chart written instruction' so you're straight into mosaic knitting after the cast on row.
