

A Day Out Blanket

Designed By Sarah Hatton

WEEK 9 - Glaziers Lane

Hints and Tips

- I used a 5mm needle and a cable cast on
- My final squares measured 16cms wide by 18cms, they blocked to size perfectly
- Marking where you are on this pattern is essential. I used a tally and a ruler.
- If you are worried about following the pattern try the 'Knitting chant'. I speak the pattern out loud whilst I'm doing it.
- In special abbreviations I got muddled up on FC. The stitches in bold are all done from the cable needle.

Enjoy!
