SPECIAL TECHNIQUE

Bobble - normally bobbles are worked by increasing in one stitch then turning your work and working just across these increased sts. However many people dislike turning the work so much and also find the bobbles can pop through to the back of the work. These no turn bobbles solve both those issues.

K1, yo, k1, yo, k1 all into next st, (1 st increased to 5 sts), (slip these 5 sts back onto LH needle, k5) twice, slip first 4 sts one at a time over the last st to decrease back to 1 st.

Using 5mm needles cast on 35 sts.

Beg with a K row, work next 53 rows as set on chart, ending with **WS** facing for next row.

Cast off purlwise.

Block to 20cm x 20cm.
