TENSION & NEEDLES

TIPS & TECHNIQUES

If you are using a shade with pink and green spots, before beginning to knit unwind a little yarn from the outside of the ball and check whether its green spots or pink spots that appear first. If you have green spots first, knit from the outside of the ball. If you have pink spots first, rewind the yarn or knit from the inside of the ball. This will ensure that the 'Flowers' appear above the 'Leaves'.
