**Pattern Notes:**

In order to maintain the dimension of the striping, the heel is knit after the toe.

The waste yarn used to maintain tension and pattern of the striping as the sock transitions from the leg over the ankle and onto the foot is removed and the heel is knit in the round.

If using circular needles a second set will be needed to complete the toes and heels or a set of DPNs may be used.

**Pattern:****Cuff:**

CO 64 (72, 80) sts using smaller circular needle, PM to denote EOR.

Round 1: \*K1, p1\* to EOR.

Rep Round 1 until work measures 1 3/4"

Switch to larger needle

Knit in rounds until work measures 7 1/4 (7 1/2, 8) inches from cast on edge

**Heel Preparation and Foot:**

To maintain color repeat, cut working yarn leaving 4" tail that will be woven in during finishing. Make a bobbin using two color repeats (two full stripes worth) from the cake of working yarn, set aside for heel construction which is completed after the toe.

Heel Round: Using working yarn, k3 (4, 6), using waste yarn k26 (28, 30) leave 3" tail and cut waste yarn.

Return these sts back to the left needle.

Reknit these sts using the working yarn. 64 (72, 80) sts

Knit in rounds until work measures 5 1/2 (6, 6 1/2) inches from Heel Round.

**Toe:**

Transition work divided onto two DPNs such that half the stitches are on each DPN and the EOR marker is at the end of the second DPN. The EOR marker may be attached directly to the work rather than held at the end of the DPN to ensure consistent tension while completing the toe box.

Round 1: \*K1, ssk, k to 3 sts from end of first DPN, k2tog, k1, rep from \* on second DPN.

Round 2: Knit

Rep rounds 1 - 2 until 8 (12, 16) sts rem.

Using kitchener stitch, join two sets of sts to close toe.

**Heel:**

With RS facing, remove waste yarn and place stitches onto two DPNs. 26 (28, 30) sts per DPN.

Round 1: \*K1, sl1, k1 pssso, k to last 3 sts on DPN, k2tog, k1, rep from \*.

Round 2: Knit.

Rep Rounds 1 - 2 until 16 (18, 20) sts rem.

Using kitchener stitch, join two sets of sts to close heel.

**Finishing:**

Using tapestry needle, weave in ends.
