## Border
First, work the Border Foundation Row: 1ch (does not counts as a st

the blanket, and 3dc in every corner, slip stitch into beginning 1ch.
(Note: down the sides of the blanket work 3dc for each complete row
of shells).
Continue in rounds of dc, beginning with 1ch and working 1dc in
every stitch around the outside edge of the blanket, and 3dc in each
corner stitch, until 6 rounds have been worked, closing each round
with a slip stitch in the beginning 1ch. Fasten off and darn in your
