

Mi Ionic Hair Dryer

Drying Hair with Moisture and Smooth

ID: 25255 SKU: NUN4104KR

Water ion hair care

- Neutralize static electricity and smooth dry hair
- Replenish water, smooth without knots
- Lift luster, shiny and elastic

NTC intelligent temperature control

- Hot and cold air circulation wind mode, effectively avoiding overheating damage to hair

Hot Air

Hot & Cold Air

Cold Air

Large air volume, high speed and low noise

- Fast drying
- Strong airflow
- Large fan blades
- Rotating speed: 20000rpm
- Effective control of wind noise
- A quieter and more pleasant blowing experience

Double magnetic concentrator nozzle

- Freely rotatable magnetic air nozzle for fast dry hair while meeting local styling needs

Double protection, use peace of mind

- Self-contained double overheat protection device automatically activates the power failure protection when the temperature control component senses that the temperature exceeds the safe range

Compact and portable design

- Small and portable, easy to store
- Lightweight and comfortable handheld

Mi Ionic Hair Dryer

Large air volume and strong airflow

360 degree rotation air collector nozzle

- Freely rotatable magnetic air nozzle for fast dry hair while meeting local styling needs

High quality UV touch paint, skin friendly and delicate

Lightweight and portable, whatever you're at home or travelling, it's a good choice

Specifications:

Product Model:	CMJ01LX3
Product Size:	160 × 77 × 215mm (including nozzle)
Rated Voltage:	220V~
Rated Frequency:	60Hz
Rated Power:	1800W
Output Air Flow Volume:	1.6m ³ /min
Speed Settings:	Gentle、Strong
Temperature Settings:	Hot、Hot & Cold Circulation、Cold
Net Weight:	547g (including nozzle)
Hair Care Function:	Water Ion Hair Care
Power Cord Length:	1.7 meters
Package Contents:	1 x Hair Dryer, 1 x Nozzle, 1 x Manual
