We also do custom fills!

- If you do not want to go with one of our jar styles we are happy to fill jars that you have sourced.
- You will need to make an appointment to drop off your jars and pick them up.
- We will weigh the jars and you will pay for the honey by weight. With this option, there is also a custom bottling fee of **\$0.50/jar**.
- You can also choose to have our lid stickers, side stickers or our custom labels applied to your custom jars at no extra cost.

Some Custom designs we can do for your labels:
