

AMBAS COLLECTION SS23

Beauty and Grace: SS23

A quest for beauty and grace to reflect the richness and diversity of our contemporary world with cult chic pieces all hand loomed in our signature certified organic cotton gauze.

Mint green for the flavour, pink strawberry for pleasure, a touch of lavender, with a hint of mineral yellow, but also magenta and the blues of the Mediterranean, all mixed joyfully in our glamorous swimsuits, dresses and kaftans adding a touch of glam rock.

Boho oversized ponchos, swirling dresses with long airy slits, trimmed in contrast color velvet or froufrou and cutout tops mix & matched with subtle details lightweight and loose fitting, caressing audaciously essential bodies.

Contemporary garments for a conscientious woman moving on the international stage complementing these fashion pieces with our luxurious pure hand loomed cashmere shawls, or ultralight voiles in extra fine wool printed in pale shades.

Ambas is proud to combine Italian creativity with Indian and Italian craftsmanship, stretching the luxury of simplicity to new limits, appreciating that so many of its fans are best known women who choose simple and refined styles.
