

AMBAS COLLECTION SS18

Invitation to the Voyage

laid back and fashion forward: meet SS2018

Baudelaire's invitation to the voyage

Luxury, calm and sensuousness

Comfortable chic & easy cult,

Pared-back pieces with timeless beauty.

Too chic to be one-season wonders, too well designed to be basics: Timeless classics.

Styled to accompany velvety, laser cut swimsuits,

Feminine dresses with a touch of glam.

Boho oversized ponchos, classic wide trousers and cut-out tops,

Mix & match with subtle details.

Lightweight and loose-fitting,

Fresh and vibrant, eclectic and yet highly contemporary.

Always in pure handloomed organic cotton gauze

Mostly white for a woman voyaging on the international stage.

A mix of ardent and stylish colours - to give a fashion-forward slant -

Add a subtle flair to trims

Complementing these fashion pieces

Our luxurious shawls in pure cashmere,

Others in extrafine wool with prints in pale shades, or velvet borders.

Now the voyage begins..

Ambas is proud to combine Italian creativity with Indian and Italian craftsmanship,
creating the luxury of simplicity taken to the extreme limit.

Ambas is pleased to have among its fan some fascinating women embracing simple and refined
styles such as Charlotte Casiraghi, Uma Thurman, Lee Radzwill, Aerin Lauder, Kate Moss and
Caroline de Monaco, artists such as Maestro Bernardo Bertolucci.
