

JENNIFER RAICHMAN KETUBAH (SIGNATURE)

Signature Ketubah Design Collection

This document will walk you through our paper, color, and design options for the signature ketubah collection. Each specific signature ketubah design has color options that work best for the final print. To keep the integrity of our designs, we ask that you please select colors based on the provided options for your specific design choice. The signature ketubah design collection includes all giclée prints on cotton paper, washi paper, and bookcloth paper.

Signature Designs:

Blooming Branches	Orchid Branch
Blooming Garden	Peonies
Blooming Roses	Peony Corner
Branch Frame	Pomegranate Branches
Branches	Poppies
Cherry Blossoms	Southern Magnolias
Circle Tree	Sprigs
Falling Blossoms	Tropical Flora
Grapevines	Tuscany
Green Laurel	Watercolor Pomegranates

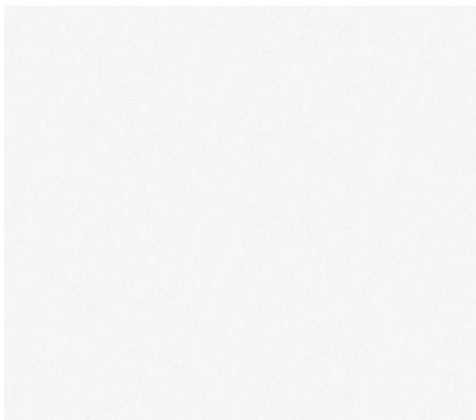

Ketubah Paper Options

We print all background colors on your selected paper choice. Therefore, the colors will vary once printed, depending on which paper you choose (cotton, washi, or bookcloth). We do not use colored paper for signature ketubah prints. You can make your paper and background color choices on the [Signature Ketubah Order Form](#).

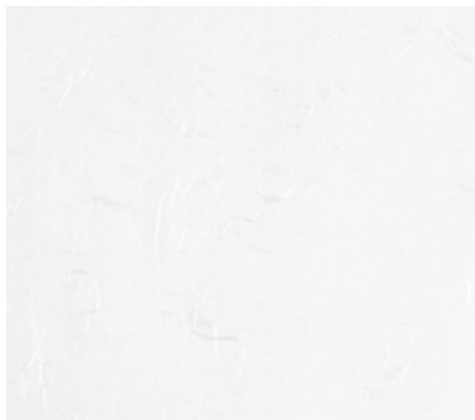

Cotton Paper is acid-free and lignin-free fine art paper with a smooth 100% cotton base and a natural soft white surface. It prints with beautifully vibrant and bold colors. Cotton paper is our most popular paper choice. Available for all signature ketubah sizes and design styles.

Japanese Washi Paper comes from Kenaf fibers with tiny ribbons woven throughout the paper with a decorative surface. Japanese washi paper is acid-free and OBA-free base paper. The Japanese washi paper is available only for the 13"x19" signature ketubah size.

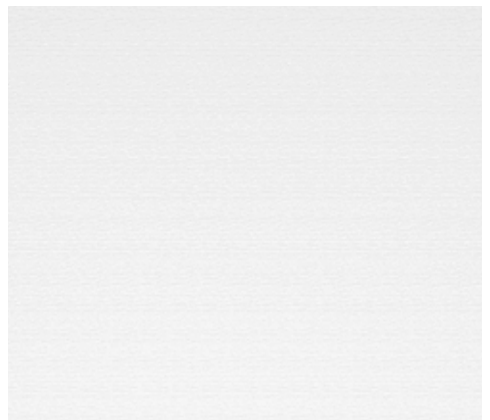

Bookcloth Paper is paper-backed bookcloth fabric. Its fabric texture creates a vintage look with muted colors. The bookcloth paper is available only for the 13"x19" signature ketubah size.

Giclée Printing

Giclée printing is inkjet printing that produces high-quality, long-lasting digital prints on any of our curated paper options. We use Epson wide-format printers with UltraChrome HDX® archival inks. UltraChrome HDX® is a pigment-based ink that can last 200+ years without fading. Please note that ketubah texts and designs are printed on a professional digital printer and are not hand-painted or hand-written in calligraphy.

Font Styles

We offer four different font style options for your ketubah text design. Please view the font style options on our website.

Paper Samples

If time allows, paper samples are available upon request. Samples are \$15.00 (available only to shipping addresses within the USA). Paper samples include cotton, washi, bookcloth, and metallic papers. Please note that paper samples are samples of the paper options without printed text or printed color swatches. Please send us an email if you would like to purchase paper samples.

Ketubah Signing Pen

All ketubah orders include an archival pen for signing. The pen's ink color will depend on the background color and the type of paper you have selected.

GRAPHIC COLOR OPTIONS

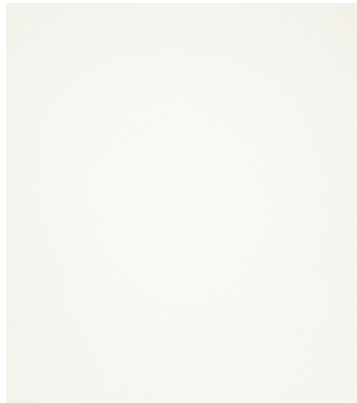

Some designs offer a graphic color option. If your design has this option, please use this color chart for reference. Graphic colors will vary once printed, depending on which paper you choose (cotton, washi, or bookcloth). You can make your graphic color choice on the Signature Ketubah Order Form.

BACKGROUND COLOR OPTIONS (SOLID)

We print all background colors on your selected paper choice. Therefore, the colors will vary once printed, depending on which paper you choose (cotton, washi, or bookcloth).
