TRIPLE PROCESS RUM COFFEE LIQUEUR

Midnight Oil - Coffee Liqueur

375ml bottle 14% alc/vol

We have teamed up with our neighbours East London Liquor Company distillers, who shares similar ideals to create Midnight Oil. Our coffee liqueur has been made using a unique triple brewing process the key ingredients being our 'Baron' coffee from Daterra Estate in Brazil, East London Liquor Company's Demerara Rum from Guyana, vanilla from Madagascar and cacao nibs from Peru.
