### Regarding Annual SCASA Subscription Fees 2017

The standard Fees are a very affordable R500.00 per annum, which the rate that shall remain for the foreseeable future. The association does however incur considerable costs to finance the four regional and the final national barista competition, over and above the very kind contributions from our range of competition sponsors. While aside from the Barista competitions that are not the only focus of SCASA, the association is presently working on the development of further services for its members.

These services aside from market information and coffee related news, have the intent to further develop website related interactive market services for its members and to develop a national Barista Standard, but these projects all come with a cost.

We are therefore requesting special "voluntary" sponsorship support from our members, to pay an additional R2,000.00 and therefore, a higher R2,500.00 annual subscription. Such members who pay this supportive fee we would immediately recognise in terms of their sponsorship status within the list of members sector of the SCASA Website, as follows:

- 1) Recognition as being a "Sponsor Member" in being listed in the form of the members Logo as such, within the SCASA website [www.scasa.co.za](http://www.scasa.co.za) Member section. With this Logo having an active click on link to the Members own website.
- 2) Recognition as being a "Sponsor Member" by being included within the "Commercial Directory" sector of the SCASA website [www.scasa.co.za](http://www.scasa.co.za). This Directory offers a range of Categories or products and or services that the members name shall be listed under and this listing, under each and every category that is related to the members business. This listing each and every time, shall be an interactive click on listing, which would take interested parties directly to the website of the sponsor member.
- 3) Any Sponsor Member who might have a product or service that is presently not included within the range in the Commercial Directory, will on request have such a category added and with the members interactive click on name, listed.

We note for your guidance, that SCASA is a Section 21 Non Profit company and with the Registration Number 2007/010996/08. This confirms the formal status of the association that has been formed for the benefit of the coffee industry in general and with the mission to mutually grow the industry and to develop the skills and employment potential, for those who work within the industry.

Membership support for the association and the future developments for our Southern African coffee industry, is of course important to us all. Thus we can assure you that while the association feels it important to recognise its financial sponsors, that it does not in any way lessen the respect that the association shall continue to forward to all the its members.

## SCASA MEMBERSHIP RENEWAL AND/OR APPLICATION FORM 2017

COMPANY NAME : \_\_\_\_\_
