

BECOME A SCASA MEMBER

SCASA is on a mission. We want to grow the coffee industry as well as develop the skills and potential of the dynamic people who work in the industry. This is where you come in.

Our members play an important role in making this mission a success. Their support means the world to us and to what we are trying to achieve as an association, so you can be assured that your experience as a member will be rewarding!

Want to know what you're investing in as a SCASA member?

Standard membership fees are only R500.00 a year.

Aside from financing, organizing and hosting regional and national barista competitions, we are working on developing more services for our members. From developing a National Barista Guild with training course unit standards, to empowering the hospitality industry through best business practice advice and guidelines.

If you are interested in helping to fund these actions, we are asking for special "voluntary" support from you - to pay an additional R2,000.00 and, therefore, a higher R2,500.00 annual subscription.

Supporting our mission means you get a bunch of great benefits, such as:

- Having the enviable title of "SCASA Sponsor Member".
- Having your logo displayed on the SCASA website - a little brand awareness never hurt anybody!
- Being featured in our Commercial Directory with a link to your personal website because we want to show the world how incredible you are.
- Having access to a network of like-minded coffee business people like yourself: suppliers, manufacturers, service providers and experienced people supporting each other!
- You get preferential rates at SCASA events and other events where SCASA has negotiated discounts for it's Members.
- You can display the SCASA logo, and your SCASA Membership status on all your stationery, in your establishment and even display the special SCASA plaque on your wall.
- Besides the Barista Competitions, you and your employees will get personal invites to attend SCASA events - like The Barista Guild events, Barista Jams, talks by Industry leaders and many more in 2015.
- As a Sponsor Member you have the opportunity to incorporate your products, services and brand into upcoming events in 2015 - we want people to know who you are and what you do!

Be a part of this journey by becoming one of our valued members. (Application on following page)

****Please note that SCASA is a Section 21 Non Profit company.***
