

HI-42H-PU Heavy Duty Flat Back Sack Truck

The Heavy Duty Flat Back Sack Truck is part of the new sack barrow designer range. Brilliant for white goods, this truck is remarkably strong; constructed from 30mm angle iron which improves strength. Fitted with a 20mm solid bar axle, and supplied as standard with Pneumatic tires, on bolted steel centres to enable the changing of tyres to be quick and easy. Topped off with fully cased ball bearing to give a smooth ride and long life. Upgrade the tyres to either our Air Filled Pneumatic Wheel OR Polyurethane Foam Tyre which will never puncture.

Options

Our 20mm solid Sack Truck axles can fit both traditional Pneumatic Wheels or upgrade to our Polyurethane Puncture Proof wheels. No more flat tyres or punctures increasing safety and productivity.

Our handles come with multiple grip options. The standard is a durable rubber grip, alternately we also supply a knuckle guard grip or a comfort foam grip.

3 toe plate size options are available for our standard range: 250mm / 350mm / 450mm.

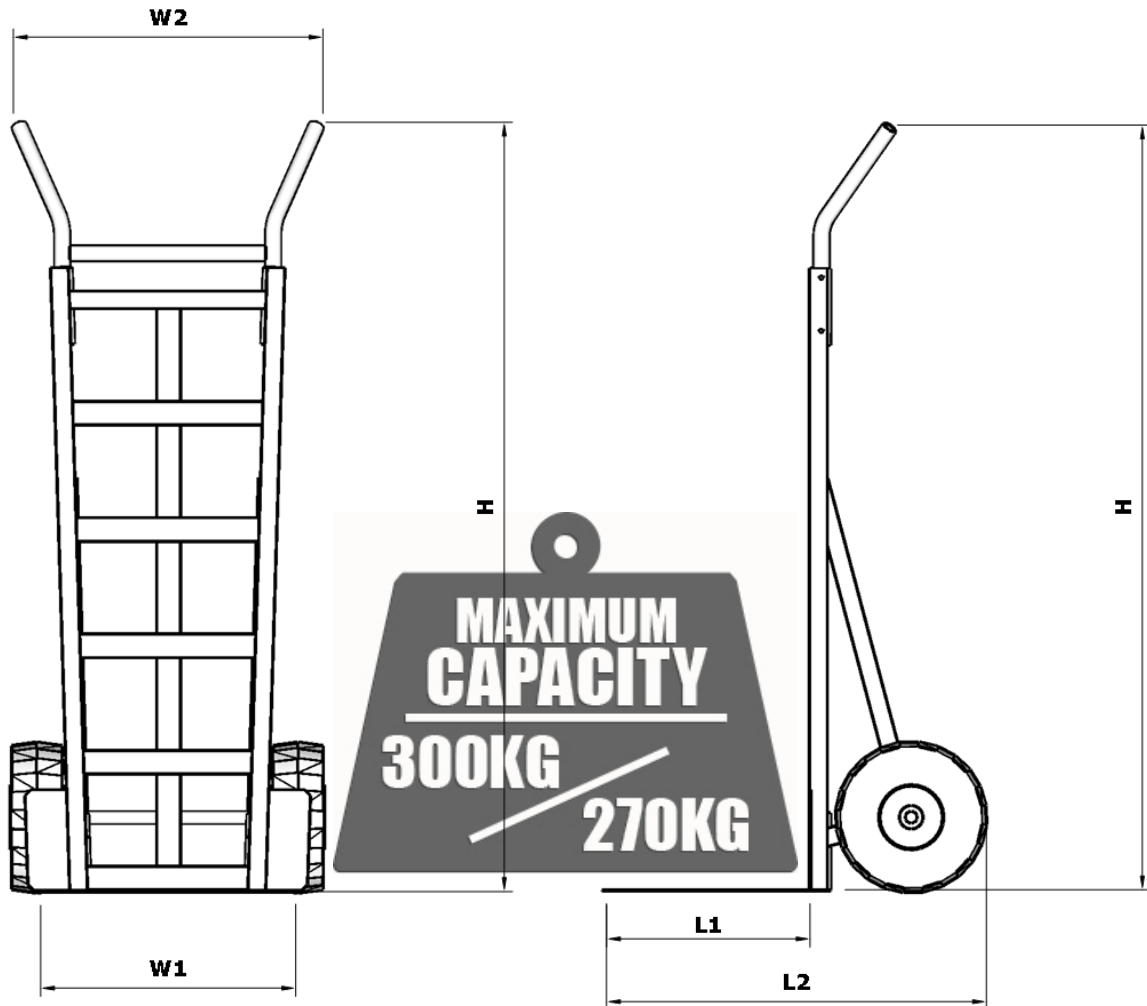

Safety straps are also available to accompany all our sack trucks for securing taller and heavier loads.
