HI-63-WO1 Double Sided Trolley

The Double sided trolley, HI-36-WO1, is perfect for carrying long loads or sheet and panel products. The fixed sides allow you to rest the product in the horizontal position, making the load less bulky during movements. Fitted as standard with 4 swivel, Non-marking castors, two of which have brakes. Excellent truck for moving plaster boards, doors, windows, and carpets in building finishes or refurbishments.

Options

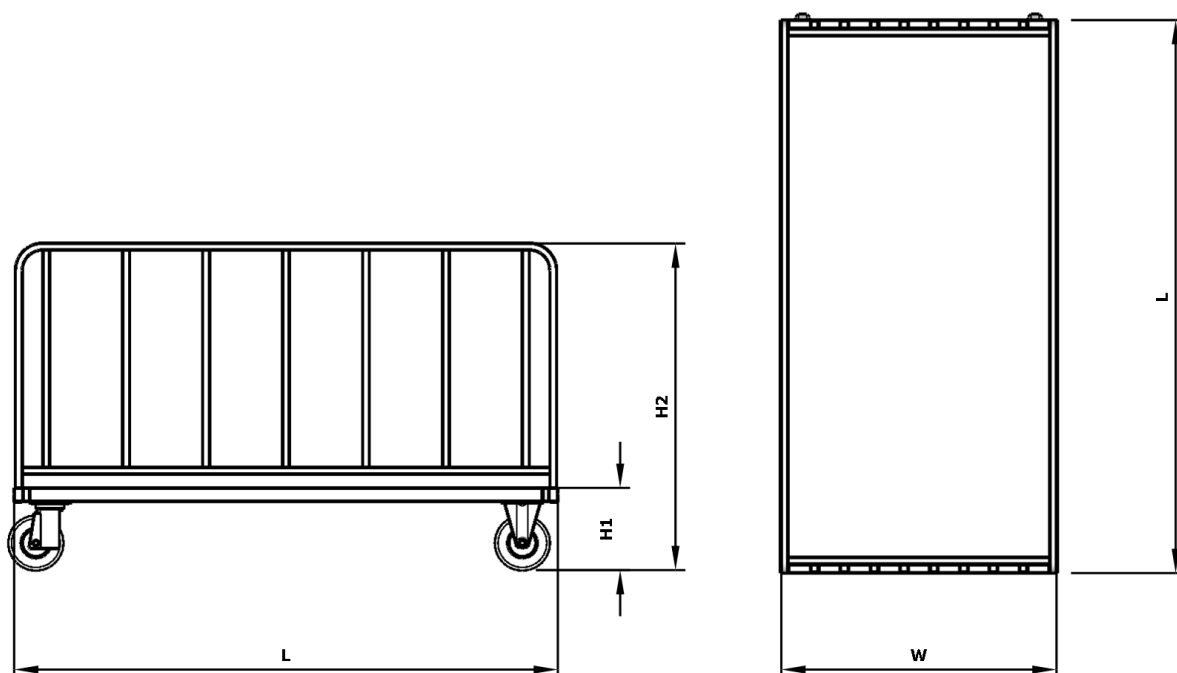

Safety straps are also available to accompany all our products for securing taller and heavier loads.
