## **HI-JD-ADST-ST** **Adjustable Double Sided Trolley w/Steel Sides**

Adjustable Double Sided Trolley With Steel Sides in made in the UK. The sides are adjustable inward and outward to help handle long loads such as timber, doors, window frames, sheet materials, mattresses. Manufactured from a 50mm x 25mm box section frame, 2mm sheet steel base, and the 2 sides are fabricated from 25mm x 25mm x 2mm box section and then infilled with 1.5mm sheet steel, gives great strength, As standard these units come with 4 swivel castors to help manoeuvre long loads, reducing the turning circles required by the operator, and as always there are a great choice of castor depending on you application and work area.

### **Options**

There are multiple options for bed sizes. The standard sizes for this model are: 1200mm x 600mm, 1500mm x 750mm, 2000mm x 1000mm

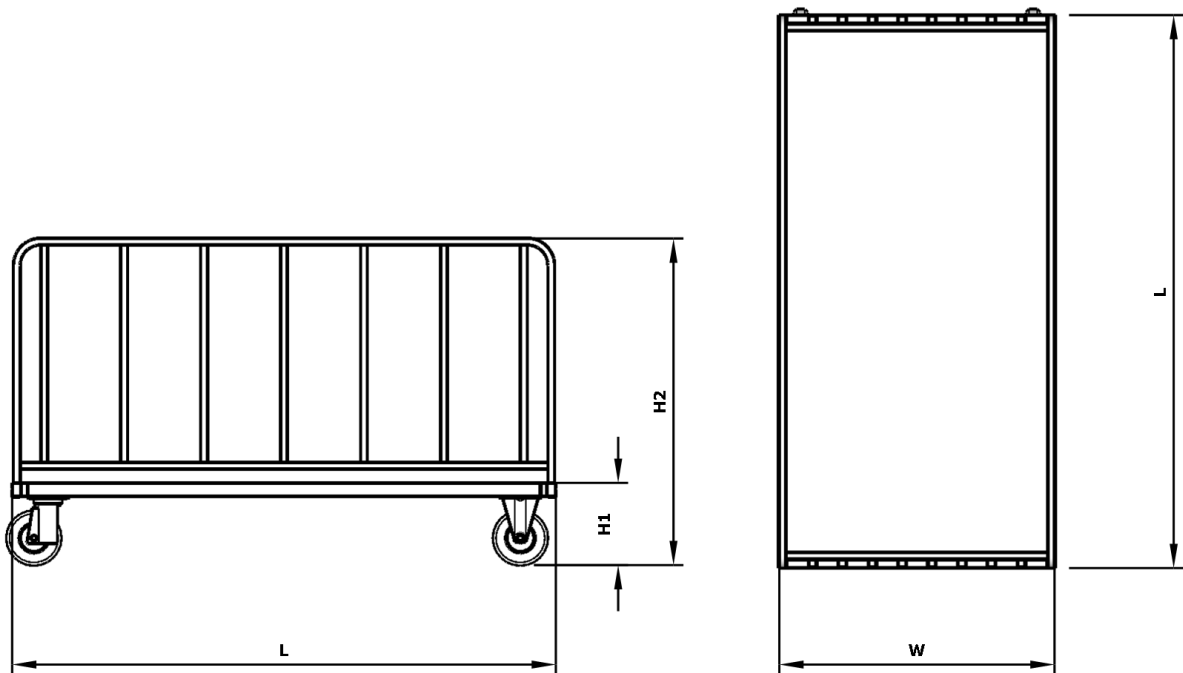

Safety straps are also available to accompany all our products for securing taller and heavier loads.
