## Drew Sideboard

Equal parts California casual and Shaker-inspired classic, the Drew Sideboard offers ample storage by way of its spacious drawers and generous surface area. Rounded knobs and feet lend an element of visual interest. No matter the finish, the unique textural elements and grain of the pine wood shine through. Style this sideboard in an entryway to make a lasting first impression or as a buffet in your dining area. This style is also available as a counter and side table.

Featured in Ebonized Pine.

Please see online for available finishes.

The Drew Sideboard is part of the 'Shoppe Amber Interiors' furniture line, designed by Amber Lewis and handmade in Los Angeles.
