Windsor Stool

Inspired by Brutalist design, the Windsor Stool is a simple yet substantial accent piece suitable for a variety of styles. Made of pine with a rough hewn finish on the legs and edges, this versatile stool will provide a sturdy surface that's both beautiful and functional. Due to the handmade construction and natural wood material, variations in color, texture and finish are to be expected and add to the unique character of each piece.

Available in finish as pictured.

The Windsor Stool is part of the 'Shoppe Amber Interiors' furniture line, designed by Amber Lewis and handmade in Los Angeles.
