INTRODUCTION

The Rogers Athletic Open Field Tackle Machine has been designed and manufactured with safety, performance, and dependability as top priorities, making it easy to operate and maintain.

The care you give your Open Field Tackle Machine will greatly determine your satisfaction with its performance and service life. Careful study of this manual is encouraged to obtain a thorough understanding of your new OFTM and its functions and maintenance.

If your manual should become lost or destroyed, Rogers Athletics will gladly provide you with a new copy. Should you require additional information or assistance, please feel free to contact us at 1-800-457-5337.

BECAUSE ROGERS ATHLETICS MAINTAINS AN ONGOING PROGRAM OF
PRODUCT DEVELOPMENT AND IMPROVEMENT, WE RESERVE THE
RIGHT TO MAKE IMPROVEMENTS IN DESIGN OR CHANGES IN
SPECIFICATIONS WITHOUT INCURRING ANY OBLIGATIONS TO INSTALL
THEM ON UNITS PREVIOUSLY SOLD.

GENERAL SAFETY RULES

WARNING!

READ AND UNDERSTAND ALL INSTRUCTIONS.

Failure to follow all instructions listed below may result in serious personal injury.

SAVE THESE INSTRUCTIONS

- **Supervision of athletes while using the equipment is recommended.** Horse play such as climbing on the machine or using the machine for unintended purpose can result in injuries.
- **Athletes should be oriented in the proper use of the equipment.**
- **Athletes should be properly fit to engage in a workout regimen.** Obtaining a medical exam prior to beginning any training program is recommended. If an athlete feels faint, dizzy, or experiences pain at any time while exercising, they should stop exercising and consult a physician.
- **Inspect equipment prior to use.** DO NOT use if it appears damaged or inoperable.
- **This Product Information Packet is an integral part of this machine.** Save these instructions. If they are lost or damaged or if you would like another copy, a copy can be downloaded from www.RogersAthletic.com
- **Reading the Product Information Packet is recommended.** Failure to read this Packet is considered a misuse of this equipment.
- **Warning labels are an integral part of this equipment.** Become familiar with all caution/warning labels and never cover or deface caution/warning labels.
- **Deploy the equipment allowing sufficient room for safe access to the machine, adequate room for the coaches to stand and to ensure that the machine or players do not collide with a wall, another machine, or other players through the entire training exercise.**
- **Unit is designed for training multiple offensive and defensive drills with proper technique.** Do not use Open Field Tackle Machine for anything other than its approved purpose.
- **Always wear a helmet when training with the Open Field Tackle Machine**
- **Equipment is designed for use by one person per pad at a time.** Keeping other athletes and spectators away from the machines during use is recommended.
- **Design and execute training drills to avoid players from attempting to run through the same gap in the unit simultaneously.** Colliding players could come in contact with the unit and/or connecting links resulting in an injury.
- **When not in use, store this equipment in a secure controlled area.** Unsupervised and/or inappropriate use of this equipment could result in serious injury.

ROGERS ATHLETIC FIELD EQUIPMENT SPECIFICATIONS

OPEN FIELD TACKLE MACHINE (PART # 410359 OR 410403)

Weight:	With 80 lb dummy 760 lbs (346 kg) With 50 lb dummy 730 lbs (331 kg)
Height:	104" (265 cm)
Length:	276.5" (703 cm)
Width:	107" (272 cm)

- Practice offensive and defensive drills at one station.
- Design allows quick and easy set-up/take down.
- Multiple positions of the overhead tube allows players to vary closing speeds and angles of run pursuit.
- Large UHMW rollers provide years of smooth service.
- Choose 50 lb or 80 lb hanging dummy in red, blue, green, yellow or orange.
- Trolley design simulates game speed.
- Durable design and construction for years of performance.
- Easy on/off positioning of hanging dummy.
- Can set the overhead tube lower at one end so players drive the dummy "up hill," or leave level for repeated tackle drills.

Construction, Finish, and Hardware

- Constructed of ASTM specified steel.
- Baked-on powder coat finish
- Galvanized steel tube
- Zinc-plated hardware
- UHMW rollers

1

Attach foot pads to leg tubes with (1) 1/2" x 4" bolts and (1) 1/2" lock nuts. Do not over tighten. Repeat for each leg.

2

Attach the trolley tube receiver to the beam supports with (4) 1/2" x 4" bolts and (4) 1/2" lock nuts. Repeat.

3

Insert the leg tubes into the beam support assemblies. Position the tops of the leg tubes flush with the tops of the beam support assembly. Secure each leg with (2) 5/8" x 1 1/2" bolts. Repeat for each leg.

4

This step will require the use of two or more people. Attach one end of the trolley tube to a leg assembly with (1) 1/2" x 5" bolt and (1) 1/2" lock nut. Also use (1) 5/8" x 1 1/2" bolt to securely tighten trolley beam down.

5

This step will require the use of two or more people. Place the trolley onto the trolley tube with the dummy hanger facing downward. Insert the remaining end of the trolley tube into the second leg assembly and attach same as step 4.

6

This step will require the use of two or more people. It is possible to vary the slope or height of the assembly by loosening the 5/8" bolts on the leg assembly and raising or lowering as needed. It is recommended that the user lowers one end at a time. Once the desired position is achieved, tighten down all bolts.

7

Double-check to ensure all bolts are tight. Hang dummy on trolley and set-up is complete. Dummy should be removed when finished using.

MAINTENANCE

WARNING!

READ AND UNDERSTAND ALL MAINTENANCE PROCEDURES.

Failure to follow all procedures listed below may cause serious injury and a decrease in the equipments functional existence.

- **Frequently check to see that all bolts are securely fastened.**
- **Touch up paint can be used to cover any scratches or blemishes sustained through use.**
- **Never cover or deface the warning labels.**
- **A silicone base lubricant may be used on moving parts to maintain proper function.**
- **Replace any worn or damaged equipment with genuine Rogers Athletic parts.** Failure to do so may result in unsafe equipment and/or personal injury.

CUSTOMER SERVICE

For parts or service contact Rogers Athletic Company. When ordering parts be sure to provide all relevant information available including the name and part number of the equipment purchased. This information is located on the cover of this product information package. Customer service hours are Monday through Friday from 8:00 a.m. to 5:00 p.m. Eastern Standard Time. Customers can phone (989) 386-2950 or toll free at 1-800-457-5337. Fax toll free at (888) 549-9659 or mail:
