UNIQUE STYLING

Used extensively in professional sports, mobile observation towers are a must for any serious sporting program and adds class to any sports facility and a boost to the morale of any program.

3 YEAR WARRANTY

Rest assured knowing that in the unlikely event of a problem, your team shelter has the full backing of Jaypro.

This tower not only provides refuge from the elements for coaching staff, observers or the press, but can be called into play for nearly any event that requires an observer who needs a higher perspective. This special design will certainly impress visitors and staff alike, showing the seriousness of your sporting program.
