PVB-60P VOLLEYBALL POST PAD

JAYPRO MODEL PVB-60P

VOLLEYBALL POST PAD

Volleyball post pad shall be designed to fit all Official JAYPRO Volleyball Posts and net systems.

Each post pad shall consist of a two-section wrap around style pad and shall have a vinyl center hinge to insure a smooth and attractive fit when in use. Post pad shall be manufactured of 2" thick virgin polyurethane foam covered by a heavy duty 14 oz. Polyester reinforced vinyl sewn into place. A 1 1/2" wide vinyl and Velcro flap sewn onto one pad securely fastens to the edge of the other in attaching the pad snugly around standard. All sewing shall be of a lock stitch type, running stitch style of sewing shall not be considered equal.

Pad shall be a full 72" in height.

Post pads shall be available in any of fourteen (14) different colors (red, navy blue, yellow, light blue, grey, black, maroon, kelly green, forest green, royal blue, white, tan, purple, orange).

Velcro flap attachment shall be positioned to allow net cord or strap access to standards (posts).

Pad exceeds USFSHA and NCAA specifications for safety.
