

CHOOSING YOUR UNIVERSITY

Student questionnaire

1

Would you prefer to study close to home or farther away?

2

Would you prefer a campus, city, or remote-learning university?

3

What size of student body do you prefer: small, medium, or large?

4

Are you considering factors like campus facilities, housing options, and student support services in your university search?

5

Are there any extracurricular activities you hope to participate in alongside your studies? Which universities offer these opportunities?

6

Are you looking to apply for scholarships, bursaries or skills development funds? Which universities offer funding that suit your needs?
